### Overview

---

The Citrus Strategic Investment Advisory Panel met via teleconference on Friday 10<sup>th</sup> August.

Hort Innovation supplied the Citrus SIAP with a high-level overview of the current R&D fund position.

The primary aim of this SIAP meeting was to review, discuss and seek advice from the panel on two items:

1. Concept 2575 - Protecting Riverland Pest Free Area (PFA)
2. Hort Frontiers - AS17001- Effectoromics based infield diagnostics and cultivar resistance to biosecurity pests (HLB and Xylella).

### Next steps

---

The SIAP agreed to schedule the next face to face meeting on the 20th and 21st November 2018.

A fact sheet on Sterile Insect Technique Plus (SITPlus) Program will be distributed and made available.

Anyone seeking information about the SIAP, the Citrus Strategic Investment Plan (SIP) or any other levy related issue should contact Mark Spees at Hort Innovation on the details below.
