### Overview

---

Hort Innovation convened a meeting of the Melon SIAP via teleconference on March 16, 2018. The primary aim of this meeting was to review the concept 'Food Safety Training, Extension and Culture for the melon industry'.

The SIAP were provided with an update on the current state of the melon industry in the wake of the recent Listeria outbreak including a timeline of events.

The SIAP discussed and provided advice on the Food Safety Training concept.

### Next steps

---

The SIAP will meet again in mid-May to discuss further action required from industry, review the levy financials and review the draft Strategic Investment Plan (SIP).

Anyone seeking information about the SIAP, SIP or any other levy related issue should contact Sam Turner at Hort Innovation on the details below.
